

Would you like to save money on your energy bills? Would you like to make your home more comfortable? If you answered yes to either of these questions, please apply for the weatherization grant! There are income requirements for homeowners and you need to submit some paperwork, but the benefits are worth a little effort. Over the past two years, the Municipal Collaboration has helped about 150 homeowners in Prince George's County.

To get started contact the Edmonston Town Hall. For more information, contact:
