

EDMONSTON MARYLAND

A BRIDGING COMMUNITY

The Town of Edmonston is receiving **\$1,468,036** in Covid Relief Funds and we want **YOUR INPUT ON HOW TO SPEND THESE FUNDS:**

The funds can be used for these general categories:

- Maintain vital public services
- Build a strong resilient recovery and support long-term growth and opportunity (*Including stormwater management!*)
- Support families and businesses struggling with impacts of pandemic

The Town Council came up some initial ideas.

Please rank based on your priorities (#1=highest) **AND add your ideas.**

____ Individual resident grants for flood mitigation measures to their homes
(*i.e., gutters, sump pumps, grading and water retention, flood insurance*)

____ Expansion of Town Hall so it can be used for more community services & activities

____ Install free Wi-Fi service at the Rec Center and build an outdoor “internet café”

Thank you for your input.
